

**SWIMMING CONSENT**  
**Stage Door Conservatory**  
**2010**

I understand that once a week my child will be offered the opportunity to join other children in KIDS ON STAGE or ON BROADWAY to participate in swimming at the KING SWIM CENTER at 1700 Hopkins (at Colusa Street) in Berkeley.

I understand that my child is not required to engage in the planned swimming activities offered by Stage Door Conservatory, and will not be permitted to participate without my consent.

I understand that my child will be required to undergo a swimming test administered by the staff of the KING SWIM CENTER to swim in the deep end of the pool and that a minimum of three STAGE DOOR staff and counselors will supervise the children in the pool at all times, including at least one staff person with CPR certification. I also understand that my child and other participants will not be permitted to engage in activities that may led to injury, such as running near the pool.

By signing this agreement and consent form I permit my child to engage in swimming at KING SWIM CENTER with the participants and staff of Stage Door Conservatory on designated swimming days. I also acknowledge that in understand the risks associated with his or her participation in this activity and will not hold Stage Door Conservatory responsible for any injury my child sustains as long as this agreement is met in full.

I also understand I must arrange for my child to bring a swim suit, flip flops, a towel and goggles if needed to each assigned swimming day if he/she is participating.
