

Stage Door Conservatory

Musical Theater for Creatively Inclined Children in Grades 3—12

The performing arts provide many opportunities for children to express themselves, participate in the exciting processes of learning and creating, and develop a sense of themselves as contributing members of a community. The benefits of these kinds of experiences are profound ... not only in terms of the artistic training they provide, but the opportunities for personal development and sense of accomplishment and belonging they offer.

Not only a summer camp
— often the experience of
a life-time!

In the summer of 2011, STAGE DOOR CONSERVATORY will offer four performing arts camps in Berkeley and El Cerrito including KIDS ON STAGE (*four two-week sessions beginning JUNE 27 for children in grades 3—5*), ON BROADWAY (*one six-week session from JUNE 20—JULY 29 performing HAIRSPRAY for children in grades 5—9*), TEENS ON STAGE (*one six-week session from JULY 5—AUGUST 12 performing LES MISERABLES*) for children in grades 8—12) and BACKSTAGE, a behind-the-scenes training program for high school students interested in the technical aspects of theater. We are currently offering opportunities to 180 children to join us and participate in our enriching and uplifting summer programs, and offer tuition assistance to children from financially stressed families. **Please call 510-521-6250 or email us at stagedoorconservatory@yahoo.com for more details!**
